### **5.1 STEPS TO IMPLEMENT PLAN**

Implementation and monitoring of this RWPP will be the responsibility of the Color Country Interagency Fuels Committee. Updates to the plan should occur annually or on and "as needed" basis as determined by the Fuels Committee.

Additionally, a specific project implementation plan will be developed for each of the ten focus areas that were described in detail in Chapter Four of this plan.

Specific NEPA- type plans should be developed for each of the ten focus areas that identify timeframes, goals, and measurable criteria.
